Gesipa Warranty Agreement			
Gesipa Tools (Australia)			
Toolfix Fasteners (The Trustee for The Toolfix Rivets Family Trust) warrants that all Gesipa tools supplied by it and purchased by you from a Authorised Gesipa Retailer throughout Australia are free from defects.			
Warranty Period Gesipa Tools sold in Australia are covered by one year warranty.			
Warranty Claim If you consider that any Gesipa tool is defective, you can lodge a claim under this warranty and any apparent fault will be rectified free of charge by Toolfix Fasteners within Warranty Period.			
Warranty Period is effective from the date of purchase provided you meet the following conditions:			
1. You must produce the original tax invoice or other proof of purchase document disclosing the purchase date 2. The product has not been misused, adjusted or serviced by any person other than Toolfix. 3. All costs of cartage, freight, travelling expenses, installation, hiring tools and insurance are paid by the customer 4. There will be an assessment fee charged if; no fault found or the tool is deem ineligible for warranty repair (please refer to below Warranty Exclusions list).			
Warranty Exclusions			
This Warranty does not cover damage by:			
i. Misusing, abusing or overloading the Gesipa tool. ii. Operating the product in a manner that is not in accordance with the Gesipa User Manual that is supplied with the tool. iii. Tampering or mechanical adjustments inconsistent with User Manual iv. Causing a double burnout - field and armature burnout v. Damaged caused by liquids (chemicals and corrosive substances, such as bore water) and/or contact with sand, rust, corrosion, fire or insects. vi. Incorrect batteries, chargers, accessories or any unauthorized, non-genuine or non-standard parts. vii. Accidental damage or damage caused by force majeure events. viii. Serial number has been altered or removed ix. Using incorrect voltage or non-authorised electrical connections with the tool x. Failing to clean the product in accordance with Care and Maintenance instructions provided in the User Manual. xi. Not carrying out periodic maintenance, as set out in the User Manual xii. Operating or using the tool with any evidence of partial failure of product or damage being present. xiii. Not having taken reasonable steps to prevent the damage or failure from occurring to the tool xiv. Exposing the tool to detrimental environmental conditions such as rain water, extreme heat or cold, and ultraviolet (UV) radiation.			
In addition to the above, this Warranty does not cover Gesipa products purchased;			
• Outside of Australia • From a non-authorised retailer and/or international seller • Online shopping sites, such as Ebay and Amazon • Auction or private seller			
*I have read and agree to the above warranty service / repair agreement
